

Merry Christmas from Julie, Brian, Tony, and Brock! We hope this holiday season again finds you in good health and grand spirits. We are doing well and little has changed. Julie remains gainfully employed at home, though changed her job title from homemaker to *Domestic Goddess*. Brian is still with Compaq. The boys are enjoying another year of school and playing sports of all kinds. Our 1999 highlights include: skiing during a blizzard in New Mexico, witnessing our first bull fight, attending Julie's 20-year class reunion, and redoing our home's interior. Our address remains 15 Dusky Meadow Place in The Woodlands, TX 77381, our phone number is 281-292-0791 and email is [duelm@flex.net](mailto:duelm@flex.net).
